

ABOUT ME

Fresh graduate of BS Mathematics with Specialization in Applied Statistics, with a strong foundation in statistical methods, data analysis, and research. Experienced in instructional design, having developed accessible and interactive e-learning courses for US special education professionals using Articulate 360 and Thinkific. Passionate about blending data-driven thinking with thoughtful learning design to create experiences that genuinely help people grow. Eager to bring both analytical rigor and creative sensibility to a collaborative instructional design team.

TECHNICAL & PROFESSIONAL SKILLS

INSTRUCTIONAL DESIGN

E-Learning Development, Curriculum & Course Design, Learning Outcome Mapping, Needs Analysis, ADDIE Framework, Accessible Content Design, Storyboarding

TOOLS & PLATFORMS

Articulate Rise 360, Thinkific, Microsoft Excel, R, SPSS, Google Workspace, Git

RESEARCH & ANALYTICS

Quantitative Research, Statistical Analysis, Data Collection & Management, Literature Review, Technical & Academic Report Writing, GenAI Applications in Education

WORK EXPERIENCE

Instructional Designer — TAGLearning

2025 – Present

Freelance

- Designed and developed 13 e-learning courses for SPED educators, service providers, and administrators covering legal compliance, ethical documentation, AI integration, and inclusive education practices in US special education.
- Courses include: *Using AI for Student Well-Being*, *Medical Awareness for Educators*, *Advanced Documentation and Compliance for Related Services*, *Crisis Prevention and Intervention for Leaders*, *High-Impact Strategies for Support Professionals*, *Collaboration Compliance and Advocacy: Working with Attorneys and Advocates in Inclusive Education*, *SEL Basics for Support Staff*, *Classroom Management for Support Roles*, *Systemic Functional Linguistics (SFL) for Inclusive Leadership Communication*, *AI for Equity: Addressing Bias and Accessibility in AI-Driven Learning*, and *Special Education Advocacy: Professional Practice, Evidence, and Facilitation*.
- Translated dense legal and procedural material into structured, learner-centered modules with measurable outcomes using Articulate 360 and Thinkific.

Research Assistant — Mathematics Department

2024 – 2025

College of Science, Bulacan State University

- Conducted literature reviews and assisted in writing research papers for the department's academic publications.

Intern — Statistical Methodology Unit

2024

Office of the National Statistician, Philippine Statistics Authority

- Conducted benchmarking research on gig workers and the gig economy across local and global contexts.
- Analyzed copyright factors in different countries in relation to the creative economy.
